Planners Ask Easier Parking Standards

The hearing on proposal to amend the zoning ordinance so as to establish parking requirements for residential structures and the minimum lot areas required for parking was continued Thursday evening by the Campbell Planning Commission when some members indicated to Planning Consultant that some phases may have to be moderated to avoid setting up prohibitive standards. The matter will be acted on August 4, concerning mainly with the number of car spaces required in relation to the square footage and dwelling units.

Study by the commission of drawings and sketches showing front, side and rear elevations would be called for, along with site plans and the ingress and egress plan.

Also before the commission Thursday was an inquiry from Joseph Agostinho for a variance to make alterations at the rear of Sno-White as a sheet metal shop. It formerly was used as a cabinet shop.

Phillip N. Flagg told the commission he would like to make alteration at the building formerly used for the locker plant so it can be used as a machine shop. The building was damaged by fire and commission indicated the specific purpose to which the building is to be used, would have to be made known to them. Building inspector and fire chief would inspect site.

Commission gave architectural approval to request of A & W Root Beer Company to set up a stand on the northwest corner of Winchester Road and Mission way subject to a 20 foot minimum curb cut line on Winchester Road.

GRANGE SEEKS PROTECTION HERE OF ROADSIDE TREES

Orchard City Grange, in a letter to the Santa Clara County Board of Supervisors, seeks protection of trees on both sides of Winchester Road (Santa Clara-Los Gatos Rd) from damage of burning by the Southern Pacific Company or other cause, by seeing that weeds are properly controlled.

The Grange letter cites that these trees would be a great asset to the community if properly protected, watered, cultivated and otherwise cared for.

The trees were planted when the late C. F. Cooley was a member of the board from the 5th Supervisorial District and he saw to it that some care and replacement were made with Max Watson in charge.

The letter was signed by Sarah Blue, secretary of Orchard City Grange.

Want To Be Queen? Search Is On For 'Miss Campbell'

The Campbell Junior Chamber of Commerce and the Santa Clara County Fair Association is looking for the "fairest" girl in Santa Clara county. She must be between the ages of 17 and 25, single and resident of the Campbell High School District. Candidates will be judged on their appearance in bathing suit and formal dress, their poise, diction talent and personality.

Any qualified girl wishing to enter the contest should contact Ken Roberts at the Union Oil Station, corner of San Jose-Los Gatos Road and Campbell Avenue, FR 8-7600; or Orrin Accardi at Accardi's Home Appliance at 207 E. Campbell Avenue, FR 8-0091. Registration deadline is August 10. Contestants will be judged August 12.

Grange Revising Its By-Laws

New and revised by-laws were presented to the master, Herbert Shadle, when the Orchard City Grange held its regular meeting Tuesday evening. Shadle read the by-laws to members and called for a discussion. District Deputy John Gordon explained why it is necessary to draw up new by-laws in these fast progressing times, and why the old laws will not serve any more. Some amendments were suggested which are to be voted on at the next meeting.

State Grange executive member, Harry Barnes, reported that a ground breaking ceremony was held last week for the new Home Economics Building in Sacramento which is sponsored by all the H. E. C. Clubs in the state, and to which all the Grange ladies belong. The building will be erected by the Peterson-Webbke Construction Company of Sacramento.

Welcomed home after a six month vacation were Mr. and Mrs. Jerry Locke, and Mr. and Mrs. Robert Wurfer who have been on two month trip to New York and New Jersey. Visitors from Mt. Hamilton Grange were Mr. and Mrs. Ed Thomas and Levy Richman of Gilroy. Cards were read from the Martin Walshs who are now on a trip to Alaska.

An announcement was made of the Pomona Grange picnic to be held at Cedarbrook Park on August 21. Tickets are now available. Benefits are to go to help the building fund of the new Mt. Hamilton Grange Hall.

Refreshments were served by Mr. and Mrs. Guy Proctor, chairmen, assisted by Margaret Parr, Elizabeth Pesh and Edith Smith.

A potted fuchsia door prize was won by Margret Parr.

COUNTY BUDGET OF 31 MILLION IS ADOPTED

By a 3-2 vote the Board of Supervisors on Tuesday adopted the 1955-56 county budget of approximately thirty-one million dollars, some two million more than was the 1954-55 budget. The exact figures will be known only when John Francisco, controller compiles changes made during the hearings.

Supervisors Joseph McKinnon and Sam Della Maggiore voted against adoption of the budget mainly in protest against pay increases to department heads. McKinnon opposed a move to increase the pay of Spencer Williams to $15,228 after having been in office for but two months. He is to receive $14,508 instead. A $2000 pay hike for Frank Thill, county executive was voted by Board Chairman Walter Gaspar, Arthur Brown and Ed Levin.

Other boosts went to such county officials as Dr. Elwyn Turner, health department chief; Dr. Milton J. Chatton, director of medical institutions; Miss Muriel Wright, chief juvenile probation officer; the personnel director, purchasing agent, sealer of weights and measures, veterans service officer and others.

Effect of the pay boost is expected to jump the final budget by over $300,000.

The board declined to make any cuts in the $400,000 budget requested for the county fair and operation of the grounds.

METHODISTS TO HOLD 'SING' AT NEW CHURCH SITE

A "Singspiration" at the New Methodist Church site on Winchester Avenue will be held this Sunday evening, July 31, at 7:00 p. m. All church members and community friends are cordially invited to attend. The singing will consist of favorite hymns of the church.

There will be an opportunity to inspect the various buildings and rooms. As the construction of Unit 1 has not yet been completed, short statements will be made by the Building Committee Chairman, Dean Chamberlin, and the contractor, Thayer Lyons. Adequate parking space has been provided in the lot behind the new buildings.

SEWER PLANT USE IS SOUGHT BY DISTRICT FOUR

City of Santa Clara and Sanitation District 4 are negotiating for mutual use and payment of a sewage treatment plant at Santa Clara and having a capacity of 26 million gallons of which ten million would serve Santa Clara needs and the remainder for the westside area of District 4.

Any agreements reached with District 4 or a portion of San Jose would provide reimbursement to Santa Clara for capital outlay on the treatment plant for sharing in operation and maintenance costs.

City manager Joseph H. Base and City Engineer Edgar Schott last week discussed a mutual-use agreement with District 4 manager Stephen Goodman, Thelo Perrott, district engineer, and Howarrd Campen, counsil for the district.

Base said a tentative agreement has been drafted in which the west part of the district's sewer mains would hook into Santa Clara's sewer trunk lines.

NO REST FOR THE FIREMEN

Campbell Firemen were kept busy this past week-end answering calls for the resuscitator, fires and illegal burnings.

Sunday they had two calls for the resuscitator. The first at 9:50 a. m. to the Cheerio Market on the corner of Winchester and Sunnyside where they gave aid to a woman customer before she was taken by ambulance to O'Connor Hospital. The second came at 11:24 p. m. for a woman at 129 Grant Street who was later taken by ambulance to County Hospital.

Last Friday, July 22, the firemen were called to extinguish a small blaze at the Frozen Food Locker on Lowell Way which is in the process of being dismantled. Saturday they investigated a smoke scare at 130 Dillon Avenue and an illegal burning at 21 Dillon Avenue. Monday there were two more calls for illegal burnings at 386 N. Harrison and 14 N. Central.

PERMANENTE TO BUILD PLANT AT SAN BERDOO

Permanente Cement Company will expand its operations to Southern California in constructing a $12,000,000 cement plant in San Bernadino County near the town of Lucerne Valley, 30 miles southeast of Victorville. It will have a permanent labor force of about 175 with an annual payroll of about $1,000,000.

RAO'S MAIN MARKET TO BE IN HAMILTON SHOPPING CENTER

Construction work is to start within five weeks on the Hamilton Plaza Shopping Center, southeast corner Hamilton avenue and Los Gatos-San Jose Road in Campbell to house 21 retail stores main one of which is to be Rao's Market occupying 18,000 square feet of floor space. This is according to Don Stone of Stone and Schulte Company, leasing representatives who pointed out that this is to be the central operating store for Rao's, who are already established at Los Gatos and Cambrian Plaza.

Grading has started, following removal of cherry trees on the 15-acre site. Raisch Paving Company is to do the paving. Stone said it is likely the Shop Center will be completed as a unit and will cover 130,000 square feet, the second largest in the Santa Clara Valley. It is tentatively scheduled for completion January 1, 1956.

The project, costing over two million dollars, will include parking facilities for 1300 cars. Besides Rao's, there is to be a department store, drug store, restaurant and other service-type stores, probably also a bank.

Hamilton Plaza Shop Center is just east of the Route 5 Freeway, four lane interchange, serving Campbell, Cambrian and Willow Glen. Eugene Kuehnis is president of the Center, with Stone, Joe Perucci, Frank DeNapoli as directors.

WEST SIDE SEWER PLAN PROPOSED

The disannexation of Strawberry Acres subdivision from Sanitation District No. 4 was proposed last night in a resolution presented by the City of San Jose to the Sanitation District directorate at a meeting in Campbell.

On motion of Richard Morton, board moved that Thelo Perrott, district engineer, Howard Campen and Stephen Goodman meet with San Jose City manager and engineer to work out plan details.

District board did not accept offer of Campbell Union School District to waive sewer charge in exchange for easement over corner of Dover School proprety, and instructed attorney Kenneth Jones to prepare writ of possession.

The resolution proposes that the City Manager and City Engineer negotiate with the Sanitation District an agreement for sewering the area south of Stevens Creek Road and West of Saratoga Road so that immediate connections may be made.

San Jose will cooperate by building an additional outfall or main trunk sewer facilities of sufficient capacity to drain the area; contribution to be on percentage of capacity needed in such outfall. San Jose would build trunk line along Saratoga Avenue from Blackford and Saratoga avenues, guaranteeing capacity in accordance with needs on payment of district of pro-rata share of cost, based on extent of usage.

District 4 would ask Board of Supervisors to disannex Strawberry Park subdivision, permit San Jose connect with sewer at Saratoga avenue and Stevens Creek Road until westside outfall sewer is completed, paying San Jose portion of cost of Saratoga Avenue line in proportion to capacity usage. District 4 would pay to San Jose the amount put up by Strawberry Park subdivision as connecting fee or for contribution to major trunk line construction.

Most of the present signers are members of the Cupertino past, he said, who live in Saratoga and who would like a post of their own.

The Cupertino post is sponsoring the present move for the Saratoga VFW.

MARKET BANDIT CAUGHT

Police have a full description of the bandit who held up the Double A-A Market at 690 E. Campbell Avenue on Monday evening, as a store attendant took down the number of the car, its contents, and reported in detail what the man was wearing. The sheriff's office has identified the man and is trying to apprehend him.

The sheriff's office received word from Sparks Nevada, today that Santo Soto Amabisca, 25, had been arrested there and admitted having robbed the Double AA Market here Monday night. Amabisca was caught while attempting to rob a market at Sparks. Police report he is a dangerous user of narcotics.

Ralph Cirello, clerk on duty said the robber came in the store around seven o'clock and looked the place over. Suspicious of his intent, Cirello sent Norman Ferreria, another clerk out to check cars.

Finally the man stepped up to the checking station, whipping out a revolver saying:

"This is it. I want the currency!"

A woman customer, Mrs. A. Levy of Shady Dale Lane was told to hold up her hands with store employes. The bandit declined to take silver, saying currency would be sufficient. Tony Oreglia, owner of the store, said $550 in currency had bee n taken. He said the man was described to him and to the sheriff's office as being five feet seven inches tall and wore a straw hat with a purple band, brown jacket and trousers. Investigating officers said his apparel was similar to that worn by a man who robbed a Santa Clara grocery store last week.

EDITORIAL

THE STREET SWEEPER

Until a few months ago, the city had some arrangement with the High School District to rent the use of a street sweeper which did service in the business section of Campbell. This kept up the appearance of the shopping area and was a workable plan.

Through some legal ruling, it was found, however, that the school would not be able to continue this arrangement, so since then, there has been no service. When the matter was before the city council it was brought out that some of the merchants were sweeping from the store area into the street gutter and allowing the refuse to stay there until the next run by the power sweeper. Council was of the opinion that until merchants assured that such practice would be discontinued, and that refuse be put into proper receptacles for pickup by scavenger service, that action on acquisition of sweeper would be deferred.

That seems to be the status today, and it is not a wholesome or admirable situation. We feel that the city should have a power sweeper in service and that some schedule of its operation should be made known. At the same time, we feel that business men should assure that its function is not to remove the refuse from their premises; that home owners realize that city-wide coverage on regular schedule would be impractical.

There is a general movement against litter bugs along highways with some organizations placing receptacles at various points. The Campbell Lions Club did a fine job in this respect last year.

The case is obviously important to civic welfare health and environment.

If, when storms come and refuse clutters sewers, the damage could be costly. There is hardly a city of this size in sound circumstances that does not have some sort of cleaning service. It is the pride of cities like Denver and Salt Lake City that their streets are always clean.

POWER SERVICE IN A FLASH

There is to be a new source of power available soon to parts of Santa Clara County, Santa Cruz and San Benito Counties, coming mainly from the Moss Landing Steam plant and the Moraga and Newark substation of PG&E Company.

There is to be a two and a half-million dollar installation at Coyote to provide 220,000-volt power between the Newark substation and the Moss Landing Steam Plant.

In this setup, if there is an interruption in a line supplying a station, electronic controls will open switches on that line and power the same voltage over another line so quickly that service to customers will be practically continuous. At the same time, other electronic controls will warn network operators to send out repair crews. This in keeping with a service policy to the people in one of America's fastest-growing areas.

THE EISENHOWER CHALLENGE

Only time will evaluate the talks of the Big Four on the "summit" and that which a small town editor has to say about it now will be little noted or long remembered.

The American delegation at this conference was seeking methods, not measures. In a simple, friendly, but deadly earnest manner, President Eisenhower called upon the masters of the Soviet Union to exchange with the United States, complete blueprints of each other's military establishments. He invited them to take all the aerial photographs they might wish over the United States, they in turn to extend the same privilege to American flyers over the USSR. These exchanges of military installation blueprints would cover the two countries from end to end.

The jolt that turned the tables and placed President Eisenhower in command of the situation was received by the Russians in stony silence. Premier Bulganin, as chairman, adjourned the meeting.

Such a proposal is obviously not to the Reds' liking. But will they dare to reject it? If they turn it down, their protestations for peace and amity and understanding are forever gone with the wind that generated them. If they turn it down, they can never again charge us with war-mongering. And if they should accept the President's challenge, the Iron Curtain comes crashing down. The secret fastnesses of the Urals, the slave camps of Siberia, the wretchedness and poverty of the Russian people and the Soviet satellites will be revealed to the world. The days of the Kremlin hierarchy will be numbered. And if they accept, we suspect there is little about our military establishment for them to add to the intelligence data they already have.

Either way, General Eisenhower has taken the summit!

Community Service Aim Of Contest

Community Achievement will be the main objective of the new administration of the California Federation of Women's Clubs under the leadership of Mrs. Gerald Whitaker of Berkeley, new State President.

Mrs. Whitaker has had a long and distinguished background of community service to her credit, including a seat on the Berkeley City Council, serving as a member of the Berkeley City Recreation Board, and, having been Governor's Appointee of the California Adult Blind Board, believes that the Women's Club should serve as a unifying force in the Community.

To this end she is urging each and every Federated Club in the State to enter the Community Achievement Contest and wishes all new club presidents, particularly, to investigate this wonderful opportunity for service and distinction.

The contest opened January 1, 1955 and closes March 1, 1956. As soon as a Club decides to enter, duplicate entry blanks should be obtained from the California Federation of Women's Clubs State headquarters at room 353, Shattuck Hotel, Oakland. They should be properly filled, signed and returned.

Clubs will be classified into two groups: Group A, with up to 75 members; and Group B, with more than 75 members. Two or more Federated Clubs in a community may enter the contest jointly, and the combined per capita dues-paying membership of the clubs so participating will determine the group.

The Sears Roebuck Foundation is co-operating with the Federation by offering substantial prizes to be awarded on the state national and international level. Three cash awards will be given to each of the two groups. 1st prize, $5,000; 2nd prize, $3,000; and 3rd prize, $2,000. In addition, one sweepstakes prize of $5,000 will be awarded to the club whose project is judged the better of those winning first prize in the two groups. Thus one club will win a total of $10,000.

Co-opertion of other community groups is the key-note of the contest. Merit and need of the project or projects in the particular community will earn 25 points, and effectiveness and permanent value to the community will earn 50 points.

Mrs. Whitaker hopes that the impact of the Women's Club on the community, rather than the desire for a cash prize, will be the incentive for Federated Clubs to take action.

WHILE BASKING On the shores of Lake Tahoe on Monday afternoon, Tony Oreglio of Rosemary Lane received a telephone call from his wife to find out when he was coming home . . . fish were not biting at that time of day so Tony said he would pack his sleeping bag near a hole and bring home fresh trout for breakfast . . . lost the hole though so kept on driving, lazing through Placerville and Sacramento finally arriving in Campbell all relaxed about eight o'clock just in time to get a hurried call from Ralph "Streak" Cirello at his store, the Double AA Market, that it had just been held up by a man in a straw hat and fancy clothes . . . the sheriff's office had been notified and within five minutes a complete description of the intruder given along with car license number, clothes in the car, color of sox the man was wearing and everything . . . Streak said he knew it was going to be a holdup from the actions of the man so had sent Norman Ferreria outside to check the licenses on all cars near the store and watch the one this man got into, so with this sleuthing, the police got a complete history to work on . . . Tony says he had a premonition that he should be getting home and it was timed just right.

Protecting your safety and that of your family is a big part of every telephone driver's job. And to prepare our drivers for this responsibility, we give each a special course in what we call defensive driving. This teaches telephone people to drive in such a way as to prevent accidents no matter what others may do. And it really pays off. For example, telephone drivers covered more than 80 million miles last year without a single fatal accident. Naturally, careful driving like this helps make the streets safer for everyone. And by helping us keep skilled people on the job, it enables us to work faster and more efficiently . . . to bring you good telephone service. Pacific Telephone works to make your telephone a bigger value every day.

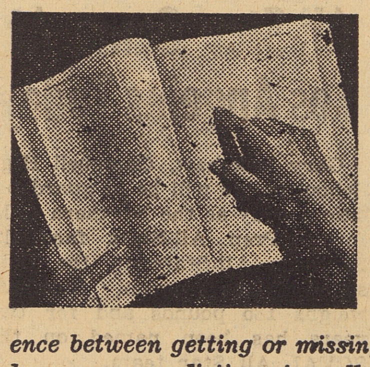
How to help people get in touch with you faster



If the telephone number at your house isn't now listed under your name, it easily can be. In fact, everyone in the family —Mom, the youngsters, resident "in-laws", and so on — can have a separate listing. By having your own name in the phone book, you make it easier for people to get in touch with you. It can be the difference between getting or missing important calls. And you can have your own listing at small cost. So why not call us at your telephone business office and talk it over.

House guests of Lester Lafferty, publisher of the Campbell Press, from Saturday until Tuesday, were his sister, Mrs. Elsie Vrooman of Downey, and her friends, Mrs. Esma Drewett, also of Downey, Mrs. Jean Lang and Miss Eva Collins, both of Alexandra, Louisiana. Mrs. Betty Lou Arnold of Arcadia, daughter of Mrs. Vrooman, joined the group Sunday and they all visited Antonelli's Begonia Gardens at Capitola, toured the big trees near Felton and stopped for dinner at Shadowbrook. Niece Betty is taking a special summer course at San Francisco State College on The Partially Blind after being awarded a scholarship by the Lions Clubs of Southern California and will be special teacher of this at Temple City. Monday the ladies went to San Francisco to visit points of interest before returning home.

Mrs. Nathan Almquist and children, Eugene and Carla, of W. Rincon Avenue, have returned home after a two week vacation at Athena, Oregon, where they visited Mrs. Almquist's sister, Mrs. Richard Johnson, on her farm. Gueglum of North Dakota, whom they had not seen in five years, arrived to make the vacation complete.

Regina C. Smith Is June Bride Of Frank Koehler

Before an altar appointed with white gladioli and marconi daisies, Regina C. Smith and Frank Edward Koehler were wed in a nuptial mass Saturday, June 16, at St. Lucy's Catholic Church. The mid-morning double ring ceremony was performed by Father Dennis Kennelly.

The bride is the daughter of Mr. and Mrs. Fred H. Smith of 521 S. San Tomas Road, and sister of Mrs. Stephen Ridgely, Jr., of Los Gatos, Margaret Smith of Campbell, John Smith of San Jose, and Francis Smith of Saratoga. She is a graduate of Campbell High School, and of San Jose State College where she was affiliated with Delta Phi Upsilon Sorority. For the past three years she has been a teacher at the Los Altos School.

The bridegroom is the son of Mr. and Mrs. Bernard Koehler of Las Vegas, Nevada, and brother of Henry Koehler of Yerington, Nevada, and James Koehler now in Germany. He attended the University of Nevada and is a graduate of San Jose State. He was assistant chemist at the Anaconda Copper Mines in Yerington before entering the Army. At the present time he is stationed at Fairbanks, Alaska.

For her wedding, Regina selected a floor-length gown with fitted bodice of chantilly lace styled with a victorian collar and long sleeves, and a bouffant skirt of nylon net over satin which swept into a chapel train. Her finger-tip veil depended from a coronet of seed pearls. She carried a white prayer book marked with a white orchid andstephenatis and was escorted to the altar by her father.

She was attended by her sisters, Margaret Smith as Maid of Honor, and Mrs. Stephen Ridgley as Matron of Honor, gowned identically in pink dotted swiss nylon with white daisy trim and carrying bouquets of white chrysanthemums.

Bridesmaids were Mrs. Francis Smith, sister-in-law of the bride, and Miss Betty Jesse of Manteca. They wore similar gowns of nile green nylon and carried bouquets of white chysanthemums. Flower girl was six year old Lauren Smith, niece of the bride, who wore a white dotted swiss nylon dress and carried a basket of white chrysanthemums.

Henry Koehler, twin brother of the groom, performed the duties of best man and William Baker, uncle of the groom, and John P. Smith acted as ushers. Vocalist was Clarinda Di Lonardo and she was accompanied on the organ by Marilyn Ott.

For her daughter's wedding, Mrs. Fred Smith chose a light blue ensemble of nylon with white accessories and pinned on a corsage of white orchids.

Mother of the groom, Mrs. Bernard Koehler, selected a blue-grey silk suit with white accessories and wore an orchid corsage.

Following the wedding, and preceding the reception, a buffet luncheon was served at the Smith home for 60 relatives. Some 175 guests attended the reception later to offer their felicitations to the newlyweds. After cutting the five tiered wedding cake the bride donned an aqua blue linen suit with white accessories and pinned on a white orchid corsage for the honeymoon trip to Carmel.

The young couple are now on their way to Fairbanks, Alaska, where they will make their home for the next year.

FARM LEAGUE ALL TIED UP

With all six teams in a three-way tie, the Campbell Farm League outcome is not expected to be decided until the triple header schedule at the Grammar School ball Park on Augut 6. Benson Cleaners and Avila Market are tied for first place with 3-1 record, while Yankees and Campbell Kiwanis are tied for third place with a 2-2 count and Bishop Hawaiians and Campbell Realtors are tied for fifth place with a 1-3 count. If there is a tie remaining after that August 6 game, the playoff will be Tuesday, August 9, the winner to play the Yankees who won the first half season play.

Dave Maxwell racked up his second win against no losses for Campbell Kiwanis because of remarkable control. In 13 innings of Farm League play Maxwell has not issued a walk. He was nicked for 12 hits by the Yankees in the game Friday night while his team got but two hits, yet his team won 11-9 because of perfect hurling control.

Benson Cleaners took a 7-6 game from Bishop Hawaiians Thursday night as James Yeager as relief pitcher hit a homer in the 5th with one on, this also being his fourth win. For the losers, Bill Alvarez struck out 13 and issued but two walks.

TRIPLE HEADER

Avila's Market won 15-7 over Bishop Hawaiians in the first game of a triple header Saturday, Bill Pond and Bob Lara leading the attack with two hits each.

In the second game Nick Long and Bob Taylor collected 3 hits each for the Yankees while Ken Christian, Tom Voytek and Jed Duggan hit a pair each as the Yankees unleashed a 14-hit attack on Benson Cleaners. Ken Christian hit a homer with two on in the 5th.

The Realtors won their first game of the second half in the final game of the Saturday triple-header. Box scores:

Pony League To End On Tuesday

The Campbell Pony League schedule is ending the second half play next Tuesday afternoon with Campbell Kiwanis fighting it out with Campbell Rotary on the high school field. This afternoon Campbell Lumber meets Campbell Lions and tomorrow afternoon at 1 o'clock Campbell Lumber faces Western Gravel and at 3 o'clock Campbell Lions tangle with Bishop's Hawaiians.

Winner of the first half schedule was Campbell Kiwanis.

The playoff series starts August 6 and will be decided best two games out of three.

Buc's Cove Is A Popular Place

Buc's Cove, the Campbell High School recreation center, is open each Monday and Wednesday from 6:30 until 10:30 p. m.; and each Friday from 6:30 to 11:30 p. m., according to Miss Muriel Carson, director of the Cove. Wednesday from 8:30 to 9:30 p. m. is Buc's Cove night at the swimming pool, and Thursday is reserved for special events.

Special event tonight will be skating at Rollerland. Bus fare will be 10c, and 65c will take care of all expenses at the rink, including shoe skates and checking of property. Those owning regulation rink skates will be admitted for 35c.

A school bus will pick up students at Parker School at 6:30 p. m., Cambrian School at 6:45, and Campbell high at 7:00 before arriving at the rink at 7:15. The bus will make the return trip starting at 10:30 p. m. and return students to their proper station.

Miss Carson says there is a good sized group on hand each night. The usual crowd numbers 100 although last Friday night 134 turned out to dance to the music of Dave Gupton's orchestra. Dave and his fellow musicians are Campbell High students.

On an average night the teenagers dance to records, play ping-pong, watch TV, visit the soda fountain which is a very popular spot, or just chat with their friends.

When Camden High opens in September Miss Carson intends to conduct the youth center at the new school along with her duties as head librarian. She has also planned a continuation of the Library Club for students.

Books alloted Camden have been boxed and labeled and are ready to go, and Miss Carson believes she will be able to open the Camden library the second week of school.

Camp Fire Girls Hold Ceremony

CAMP WASTAHI at Big Basin is holding its big ceremony of the week down at the pool this summer. The grand council fire, which ends the week long stay of the Camp Fire Girls, at camp, is now a raft of logs, which is lit and pulled out into the center of the pool.

Each sleeping area selects a girl who announces the wish of her group, a candle is lit on her group's own little boat or raft, which is set to sea to join the now brilliantly lighted, larger raft. While many wishes are routine or repetitious of the previous speaker's desire, an accidental humorous note is thrown in such as this one: "We hope that during the rest of Camp Wastahi sessions, no campers are washed out by rain." This impressive council fire is traditional of some American Indian lore, and a triumph to the ingenuity and cooperative spirit of the entire staff at Camp Wastahi, which is headed by Mrs. Suzanne Skinner, with Mrs Gladys Von Felt chairman of the Camp Committee. Local girls who attended the second session were: Alice Gibbons, Judy Gerringer, Lynn Creighton, Patty Jean Hillier, Robin O'Flyng, Joan M. Davis, Jean Voytek, Niccoli Mararoff, Joyce Price, Lora Lee Price, Marilyn Gilpatrick and Carol Baldwin.

OLD UNION SCHOOL BUILDING TO BE RAZED

The 41-year old Union School building on Almaden Road and Union Avenue, Cambrian Park is to be sold to someone who will tear it down so that its square footage may be subtracted from proposed size of the new Carlton school. Allocation Board of the State ruled that by this policy a hazard will be removed. There are three classrooms. Site won't be sold because of deed reverting it to previous owner if used other than for school purposes.

PRODUCERS OF SUMMER CIRCLE theater at Lyndon Hotel in Los Gatos are now Campbell residents. Mr. and Mrs. Paul Beaudry have moved into their new home on Allendale Road near Quito. Youngest daughter, Lynn, is scheduled to continue her attendance at Saratoga's Cooperative Nursery, and Paige will go into the second grade at Quito School. Pat (Mrs. Beaudry) says her family is very pleased with their new location, which adjoins three communities—Campbell, Los Gatos and Saratoga. The children are happy, as the new house is right on the creek. "Jane", a comedy, was the current Summer Circle production during July. In August, the Beaudry's will present the psychological drama, "Ladies in Retirement."

ONE OF THE MOST RECENT recipients of George Gabriel's children's play houses is Melody Acres, on Saratoga-Sunnyvale Highway near Prospect Road. Mr. Gabriel's hobby for many years has been the making of these miniature homes, which are complete even to TV and radio. Since Melody Acres is a home for blind children, television was not installed, but only radio. Mr. Gabriel takes seven months to make each little house, at a cost to him of about $250. The only payment he expects to get for his gifts is a thank you note. He is working on one of his creations right now, which he will give to some children's home or hospital. As yet, Mr. Gabriel, who lives in San Mateo, has not yet decided upon a group to whom to give his little play house.

TEEN-AGERS are earning money cutting cots in local orchards. Many of the girls live in the San Tomas area, among them Pat Parker, who attends Campbell Grammar School. Together with her parents, Mr. and Mrs. Floyd Dunning, and her two brothers, Danny and Floyd, Pat enjoyed camping already this year near Sacramento. Sunday she went to a painters' Union picnic on Allendale Road. SUE MARTIN, another cot cutter, is staying with her sister Mrs. Mary Ann Whiteside while their parents, Mr. and Mrs. O. K. Martin are on a six week tour. Sue was very excited the other day to receive a long distance call from her parents in Montana, and to learn that gifts and souvenirs were being brought home. Sue attends Campbell High as does her brother, Kenneth, known generally as Arky, for the obvious reason that the family comes from Arkansas.

FROM AS FAR AWAY as Willow Glen comes Lou McKee to cut Cots in the San Tomas area. Lou attends her local high school and is also staying with Mrs. Whiteside. JUDY WHITESIDE, Mrs. Whiteside's sister-in-law, stays with her mother, Mrs. Julia Whiteside, and she, too, works in the orchards. Judy is at Campbell Grammar School. LONNIE LEE, same occupation, is a sophomore at Campbell High, and lives with her parents, Mr. and Mrs. Joseph Lee. JEANNETTE HASKINS, cot-cutter, is a Campbell High frosh, and her father is Howard Haskins. Aileen Petralia was there that day, too, when I encountered all these young cot-cutters, and her father is Mr. Sam Petralia, but in the confusion I didn't gather what school she attended. All the girls agreed that their parents were delighted to have them work this summer, because, (a) They learned the value of money. (b) They would feel as though they were not frittering the summer away. The girls liked their jobs because they had fun and were paid for doing it.

HERB RAYMOND, Jr., his wife, Lou, and two boys, Teddie and Lonnie spent four days at Strawberry. This wasn't their real vacation. They wanted to spend some time with the Al Elizondo's who were up there for three weeks. PAUL BASHAM and his family have returned home from a two week vacation.

WANDA McCRACKEN, daughter of Mrs. Nellie McCracken, is staying a week at Southern Baptist Camp near Santa Cruz. The McCracken family has just completed two weeks of vacationing and camping at various resorts.

A MONTH'S TOUR of several states was the vacation of Mr. and Mrs. Harry A. Smith and daughters, Alice and Margaret of Sunnyside Ave. Visiting relatives in Indiana and seeing Mt. Rushmore were just a few of the highlights of this trip.

Campbell Register

Mr. and Mrs. Clifford Thul and children Jeanie, Toni, and Gregg, of West Rosemary Lane, are back from a vacation trip to southern California and Mexico. The Thuls made a leisurely motor trip with numerous stops at beaches along the way to San Deigo to allow the children to play in the surf before crossing over into Mexico.

Mr. and Mrs. Forrest Reese of East Rincon Avenue have just returned from a seven week vacation in Tennessess, Virginia, West Virginia and Ohio where they visited relatives.

Mr. and Mrs. Mitchell Lobrovich, residents of Campbell for twenty-five years before moving to Los Gatos, have returned from a four month tour of Europe which took them through 12 countries. They sailed into New York harbor July 18, on the S. S. United States, the huge new American luxury liner. While in New York they were guests of Mr. and Mrs. George Wahn of Long Island, parents of their daughter-in-law, Mrs. Mitchell Lobrovich Jr. of San Jose. From Long Island they went to Silver Spring, Maryland, where they were guests of Mr. and Mrs. A. H. Hausrath, parents of their son-in-law, Dr. Dean H. Hausrath of Los Gatos.

Visiting at the Rosemary Lane home of the Bill Engels is Lois Garner of Ukiah. Lois is the daughter of Volney Garner, former superintendent of Sunsweet in Campbell. The Engels and daughter, Barbara made a trip to Ukiah last weekend to see the Garners and brought Lois back with them.

Dr. and Mrs. Harold F. Smith of Richmond, Ind., are visiting Mr. and Mrs. Stanley B. Smith at their home on the Santa Clara-Los Gatos Road. For twenty-three years Dr. Smith was connected with Fisk University, Nashville, Tenn. For the past two years he has been associated with Earlham College in Richmond, Ind. Mrs. Clyde Glass (nee Dorothea Smith) is spending a few days with the Stanley B. Smiths, also, before leaving on a three months trip to the Orient.

Two families now at home after a two week camping trip together at Yosemite are the Everett Nelsons, their children Diane and Owen; the Earl Bucks and their children David and Richard, and their guest Roger Schaeffle. The high spot of their vacation was when they left their trailers parked and made a pack trip 15 miles up the mountain to Lake Merced Burros carried camping equipment and the group hiked to the lake in easy stages,taking two days. Fishing proved good at the lake they were able to catch a good many mountain trout before returning to their trailers, the trip down only taking one day.
